

# REINDEER'S RESULTS

TO COMPLETE THIS ACTIVITY YOU NEED:

 **x 2** or more  
1 game sheet  
per player

 **x 2**

 Colouring pencils

Players take turns.

On your turn roll two dice and add them together. Look for a section in your reindeer picture that contains your answer and colour in that section.

If all the sections containing your sum are already coloured in, then you will have to miss a go.

The first to fully colour in their reindeer is the winner.

**Happy Christmas!**
